# LETTER FROM THE CHAIRMAN

**Nazar Altun**

As we reflect on the 2023-2024 school year, it is with immense gratitude and pride that I share the many milestones and exciting developments that have marked this period for Hovnanian School.

This year, we welcomed 30 new students to our school and achieved re-accreditation from NJAIS, reaffirming our commitment to excellence. We expanded and diversified our after-school programs, revamped our project time, and reestablished the milk and bread program, alongside launching an in-house hot lunch initiative. Additionally, our Coffee Chat series and new tuition management system have enriched the School's engagement with families and streamlined administrative processes.

I want to personally thank every family and donor who has supported Hovnanian School this year and throughout its nearly 50-year history. Your generosity, particularly through the transformational endowment fund established by the Hirair & Anna Hovnanian Foundation in 2021, has been instrumental in ensuring the school's long-term financial sustainability.

This year, we were also fortunate to receive significant donations for long overdue improvements to our facilities.

In the summer of 2023, we successfully relocated our Child Care Center to a newly renovated space, creating dedicated rooms for infants through 15 months and toddlers through 24 months, made possible by Raffi Azadian and Gayane J. Minasian.

In the spring of 2024, Shaké and Vahe Nahapetian made a transformative gift that enabled us to renovate the School gymnasium, replace the aging roof, and update the Middle School bathrooms. The gymnasium has always been the center of the Hovnanian School community. Through Mr. and Mrs. Nahapetian's generous gift, it has transformed into a space we can all be proud of.

In addition to the major donations above, contributions by the community at large to the Hovnanian School Annual Fund have allowed the School to address immediate needs such as scholarships, extracurricular activities, staff professional development, marketing, alumni relations, faculty compensation, and facility enhancements.

A notable highlight of this year has been the appointment of Stephanie Torossian as our new Head of School. She has made great strides in professionalizing our institution and bringing best practices to

school administration. Working with Digin Stephanie has been one of the highlights of my tenure as Board Chair.

On a personal note, I want to express my deep gratitude and pride for having served as Board Chair for the past seven years. I am excited to work with the new Board chair and the executive committee of the Board to usher in the next era of success for Hovnanian School.

As we look to the future, your ongoing financial support will remain crucial. It enables us to uphold the vision of our founders by offering Armenian youth in New Jersey and New York unparalleled cultural and academic education. It also helps us fulfill our mission to preserve and elevate the Armenian community by nurturing generations of well-rounded and globally-minded Armenian-American leaders.

Thank you for your unwavering support and dedication.

# LETTER FROM THE HEAD OF SCHOOL

**Stephanie Torossian**

I am thrilled to share with you the 2023-2024 Annual Report of Donors, and I am deeply grateful for the incredible support we've received throughout the year. Thanks to your generosity, we have met our fundraising goals and made significant strides in many areas.

Since stepping into this role, I have been inspired by the collective effort of our faculty, staff, parents, and students. Together, we've generated tremendous momentum for Hovnanian School. Our strategic plan is advancing, particularly in areas of academic leadership, faculty engagement, and professional development. A highlight of this year was NJAIS reaffirming our school's accreditation during their five-year visit last spring—an achievement we should all

take pride in.

As we look to the future, we need your continued support more than ever. A crucial aspect of our strategic plan involves strengthening our community's engagement. We are reaching out to ask you to share the story of Hovnanian—your story. Encourage prospective families and others outside our immediate community to discover the unique value of Hovnanian. By creating positive curiosity and being ambassadors for our school, each of you can help us expand our reach and impact.

Another key focus for us is our fiscal sustainability. Your participation in the Annual Fund is vital for our future. Every contribution, regardless of size, plays a

significant role in supporting our goals and demonstrates the strength of our community. Your gift helps us qualify for additional support from corporations, government entities, and foundations.

I have full confidence that the Hovnanian community will rise to this challenge, reflecting the resilience and determination that define us. Please consider making a gift to the Annual Fund this fall. Your support for our students, faculty, and facilities truly makes a difference.

Thank you for your ongoing commitment to Hovnanian School. Your generosity and dedication are deeply appreciated!

**Stephanie Torossian**

Update on

# THE ENDOWMENT

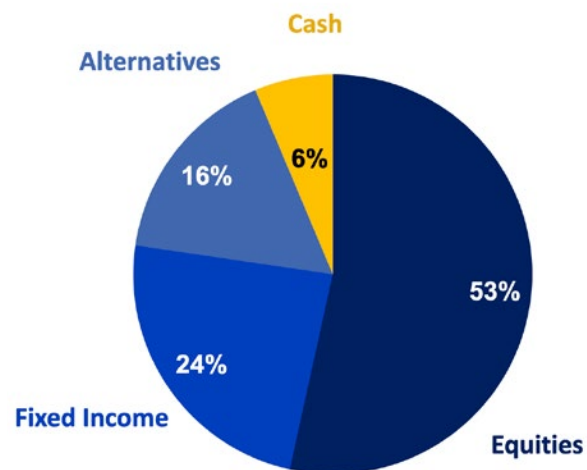

# FUND

Raised in 2021, the endowment fund supports the long-term stability & growth of the school. With \$10m of commitments raised at our 45th anniversary gala, we continue to focus on investing the fund's assets prudently and building a strong governance framework. The endowment fund was kick-started by a transformative gift from the Hirair Hovnanian Family Foundation.

**As of June 30, 2024, the endowment fund had a balance of \$5.6m, which includes the first 3 years of our 5-year commitments.**

This year saw further refinements to the fund's asset allocation & governance structure, including:

- Adding a second fund to our alternatives allocation to further diversify our private markets exposure and broader portfolio
- Beginning to establish the Investment Committee as a separate committee of the Board (vs. its interim status as a Finance sub-committee)
- Making the fund's first distribution to support the school's budget, in-line with our spending policy

As a reminder, the endowment fund is governed by a spending policy to ensure its assets are safeguarded for the perpetual benefit of the school. As such, only a small proportion of the fund can be used each year to support our operations. The rest must remain in the fund to support its long-term growth.

# PTO COMMITTEE

The Hovnanian School PTO works with parents, students, school administration, and the Board of Trustees throughout the school year. The PTO plays a large part in organizing activities for our students as well as fundraising initiatives, which are our main source of income.

On behalf of the Parent Teacher Organization (PTO) Executive Committee, we want to express a heartfelt message of gratitude to our parents who volunteer their time, efforts, and expertise to support the executive committee. Whether you have chaired an event, served as a class ambassador, participated as a committee member, or volunteered your time and talents, your dedication has been much appreciated. The PTO meets every month, either after morning drop-off at school or evenings (for parents who cannot attend during the day). Being involved in the Hovnanian School PTO is a special experience, and the success of our activities relies on the continued dedication and support of our families. We work as a team, and there are committees for each activity, some of which include Mother's Day Luncheon, Family Nights, Book Fairs, Class Ambassadors, Hospitality, etc. The PTO also works to connect parents and teachers, fostering our strong school community. Each year, the PTO strives to build upon and improve our initiatives and welcomes input from our exceptional families to achieve this.

The 2023-2024 school year began with a heavy heart. The Hovnanian School community, along with the Armenian

community at large, faced a crisis with the tragic events in Artsakh. The PTO needed to continue our fundraising efforts for the school while also finding ways to help our brothers and sisters in our homeland. We contributed to these efforts by supporting Artsakh businesses through our events and donating proceeds from our fundraising activities. We ended the year by gifting our 8th grade graduating class custom Hovnanian School blankets and hosting our annual Teacher's Appreciation Dinner.

We started the year with our annual PTO Welcome Back Breakfast for parents. It was a nice opportunity for new parents to meet other parents, and current parents to connect. Parents also met the new PTO Executive who presented a summary of what to expect for the year ahead. Some of the events the PTO hosted throughout the year included:

**October:** Halloween Trunk or Treat for the students; 1st Family Night (held throughout the year) for Hovnanian School families and community at large—all proceeds benefited families in Artsakh

**November:** Thanksgiving Lunch for teachers and students; Vernissage Market

**December:** Christmas Market for students; Santa Visit

**February:** Valentines Dance; Annual Pajama Pancake Breakfast

**March:** Easter Party with a visit from the Easter Bunny

**April:** Comedy Night with Jack Jr.—community members who had never been to our school attended this highly-successful event.

**May:** Mother’s Day Luncheon—our largest fundraiser of the year—with the theme “Denim and Diamonds”.

The PTO supported Artsakh businesses by gifting handmade potholders from Armenia to guests and serving them freshly baked goods for the dessert table; Teachers’ Appreciation Week, where we created a week of surprising treats for teachers along with individual gifts.

We want to thank our entire Hovnanian School community—parents, faculty, and Board of Trustees—for your support in helping to make all our goals a reality for our school.

# CHILD CARE CENTER

In the 2014-2015 academic year, Hovnanian School had the wonderful opportunity to build out a Child Care Center for children under the age of 2. At the time, the Board Chairman and his wife, Drs. Gregory & Carla Simonian, funded the cost to build out the Child Care Center, which would accommodate infants from 6 weeks to toddlerhood.

Additionally, Doreen Altun and Michael Rusenian of Double Helix Construction, generously donated their interior design and construction services for this project. Their support had allowed a long-standing dream to become a reality and impacted the lives of many Hovnanian children and their families.

Over the last decade, the Child Care Center grew exponentially and space became a commodity! In the summer of 2023, Hovnanian School successfully split the Child Care Center to a new and completely renovated space in order to set up our littlest learners for success at Hovnanian School and beyond. We now have two rooms available for tailored instruction and care: one for infants through 15 months; the other for toddlers through 24 months.

**The expansion of the Child Care Center was made possible thanks to the generous donation by Raffi Azadian and Gayane J. Minasian.**

Thank you for leading with love. Hovnanian School hopes that your leadership inspires others in the community to join the culture of giving.

This split gives us the ability to tailor developmentally appropriate instruction to our infants vs. toddlers, provide a comfortable, spacious environment for students to thrive, and enhance technology to be able to improve communication between the parents and caregivers.

# GYMNASIUM RENOVATION AND ROOF REPLACEMENT

**Shaké and Vahe Nahapetian initiated a transformative gift of over \$345,000 to Hovnanian School to renovate the School gymnasium and replace the School’s aging roof.**

The gymnasium is the heart of Hovnanian School and is the area of the school most familiar to the community at large. It hosts all of the school’s beloved events and traditions from the Food Festival and Art in Fall to Manti Night, the Lenten

Dinner and Mother’s Day Luncheon. It is where the students make the stage come alive with their performances during the Armenian Cultural Month Showcase, Christmas Hantes, graduations and more.

The Nahapetians' gift will help enhance and elevate the existing space. The gym will receive technology upgrades including a new projector, screen and sound system. The walls have been freshly painted from floor to ceiling and the floors have been sanded and stained with the current school seal in the center. The stage curtains have been replaced, and the school seal will be added near the stage. The mural located at the back of the gym, which was previously painted by Hovnanian School students and visiting artist, Vatché Demirdjian, in 2018, has been properly restored and

protected with plexiglass. Finally, the current Middle School boys' and girls' bathrooms have been renovated with a fresh, modern look.

"Embracing our Armenian culture is as important to us today as it was five decades ago when we came to America," said Shaké and Vahe. "We are so pleased to support the Hovnanian School which provides exceptional education and honors the Armenian heritage so that our culture and traditions are preserved for generations to come. That is what global education is all about."

Head of School Stephanie Torossian said, "All of us at Hovnanian School are so grateful for the Nahapetian family's gift to renovate the gymnasium and replace the roof, which accomplishes two of our goals in our five year Strategic Plan. I hope that this demonstration of commitment will inspire many others to support our important efforts and consequential improvements to our school. My heart swells with gratitude for Shaké, Vahe and their generosity."

# GOLF OUTING

The Annual Hovnanian School Golf Outing took place on Thursday, May 23rd, at New York Country Club. Although thunderclouds loomed ominously overhead and what felt like a monsoon occurred during the morning before registration, the rain receded and clouds parted for this year's outing. Over 100 golfers (57 returning) teed off for a beautiful day of golf and were later joined by more community members, faculty, family, and friends who attended the event's silent auction, cocktail hour and dinner.

The event was a success, exceeding expectations and raising over \$50,000 for Hovnanian School! The outpouring of generosity from attendees and sponsors is a testament to the school's commitment to providing quality education and fostering a sense of community and heritage.

# 2024 GRADUATES

## & SCHOOL

## SELECTIONS

On June 21, 2024, our 8th grade graduates enjoyed a beautiful ceremony at Hovnanian School, followed by a celebration at Seasons with extended family and friends.

This talented and spirited group of students leaves behind a trail of accomplishments and memories that will be cherished for years to come. Their diverse interests and achievements demonstrate their ability to excel in many areas, and they depart Hovnanian School with a sense of pride and confidence. In addition, we would like to congratulate the class of 2020 graduates who graduated high school this year. All of our graduates have made informed decisions about their future paths, carefully researching and selecting high schools and colleges that align with their goals and aspirations. This process has not only prepared them for their next

chapter but also instilled in them the confidence to take on new challenges. We congratulate both the class of 2024 and class of 2020 on their many accomplishments and wish them all the best as they embark on their new journeys at high school and college. We are proud of the individuals they have become and the bright futures that lie ahead of them. Always carry the foundation that you built at Hovnanian School with you and don't forget to visit us!

# 8TH GRADE

# LEGACY PROJECT

**This program aims to prepare the graduating students for their legacy gift and alumni status.**

This past spring, members of the class of 2024 participated in the second annual “Students Today, Alumni Tomorrow” program at Hovnanian School.

To commemorate their time and prepare them for life beyond Hovnanian, the school established an 8th Grade Legacy Gift. The initiative aims to celebrate the class, foster community through service, and instill a tradition of giving back to their alma mater.

The Class of 2024 demonstrated their spirit, unity, and generosity by raising funds and organizing events to purchase two pieces of artwork by Abgar Khachatryan handpicked by them during their trip to Armenia. These pieces of artwork are now displayed in the halls of the Toufayan Middle School.

Hovnanian School expresses gratitude to the Class of 2024 for their efforts.
